Dedication

Throughout the years Shaw High School has achieved and maintained an enviable reputation for the quality of its graduates. How did this happen? We believe it was the result of many favorable conditions. Among these we would include adequate financial support for buildings, laboratories, educational equipment and supplies. But in the hearts and minds of the thousands of Shaw alumni, memories of persons rather than things are enshrined. These persons include many outstanding instructors, great teachers who by precept and example, by interest and devotion have provided the stimulus for the great educational achievement of Shaw students.

We therefore affectionately dedicate the 1960 Shaw Shuttle to Miss Edith Scribner, instructor in biology since 1922, a great teacher, a sincere friend, who exemplifies the qualities of persons who today as in the past are providing Shaw students with experiences that will become significant educational memories.

In the third game of the season, the team played Sandusky and suffered their first defeat, 24-8. On October 9, Heights played host to our boys with Shaw winning their first L.E.L. game 22-6. At the second L.E.L. game, Shaw traveled to Parma only to suffer defeat. Our boys played a tremendous game, but the Redskins

won 6-0. Making it two in a row, Shaw lost to Euclid on October 23, by a score of 14-0. Thursday, October 29, saw Shaw host to Shaker. The team won 50-14, before a thrilled homecoming crowd. On November 6, Shaw beat Lakewood by a score of 18-14. In our last game of the season, our boys were hosts to the powerful Toledo DeVilbiss team. Shaw fought a good, hard battle, and the game ended in a 20-20 tie.

Shaw's Tennis team in "59" played the game well, even though they were blasted for four losses. It was a high-spirited, hard fighting group, under Mr. Durkin.

Shaw's golf team this year as last year, was high spirited but suffered many losses during the season. If enthusiasm could do it, Shaw would have come out on top, but it just doesn't work that way. I wish to mention here, that in all sports, the Shaw team and the Shaw fans are all the best of sports, and this quality in a school is very commendable wherever it is shown.

INTRAMURALS

Here at Shaw High School, we have one of the finest Intramural programs in this area. The spirit runs high, and there is a great amount of participation in the various sports. Among these sports are table tennis, baseball, basketball, and volleyball. Intramurals mean the participation by the members of the different homerooms in these sports events. The most popular of these sports is basketball. Intramurals are held on Tuesday evenings. The spirit of competition is keen between homerooms.

"We've got the pep, and we've got the steam"—is the Pep Club motto. Spirit is our most important product! This we achieve by participating in rallies, sponsoring the football programs and basketball scorecards, and selling sweatshirts and shakaroos. To create and inspire interest in the various sports, Pep Club sponsors contests, adorns both halls and buses with masterpiece posters, and keeps a showcase filled with interesting facts

about the various sports.

Under the direction of Miss Norma J. Smith, Pep Club has been able to take on two new projects. A colorful flash card section can now be found at every basketball game, each time flashing a new and different picture. The second project is that of sponsoring evening social meetings in the new Korb Social Room.

The Pepettes, a chorus line of 40 girls, performed at two home games and one away game this year. The girls were chosen by the officers of Pep Club at organized try-outs. "Top Hats" was the name of the Pepettes routine and it was always favorably received by the spectators.

A splash of red, a glowing smile, and a peppy personality characterize each of the varsity cheerleaders. In addition to leading medleys and cheers at rallies, football, and basketball games, the cheerleaders have also played host to the North Ridgeville High cheerleaders. Their "Mr. Touchdown" shakeroo routine was an outstanding success as were their many other rally skits. Girls are selected for the squad by a special committee consisting of the graduating senior cheerleaders and Miss Smith.

Although the tryouts are difficult and the competition keen, Shaw has produced one of the best squads in the area. Proof of this is the fact that they entered and won first prize in a cheerleading contest through which two of the girls, Sue Beattie and Becky Morrow, received awards to attend Camp All American. Through endless hours of hard work these girls have established a squad of which Shaw may well be proud.

Aid to a Greek orphan, guidance for new students are just two examples of the many services performed by the Student Council. Its contributions to this orphan are the main means of support for the girl and her mother. The orientation program provides information about the school for new students.

In addition to these activities, the Council is responsible for the All-School

Party, rallies, and the election of the Football Queen and the May Queen.

This year students have come in closer contact with the Student Council through the increased use of the suggestion box. In this way, the entire student body can unite with the Student Council to promote better and more efficient student government.

Over \$6000 Made in 1 in 10,000 Drive

Phil McLean presides over 1 in 10,000 campaign

As the new school year opened, the fourth annual 1 in 10,000 football drive was under way. This year Phil McLean and his mobile unit broadcasted from the school's front lawn. The student body, divided into ten teams and headed by members of the football team, were assigned to canvass different districts in East Cleveland. They distributed floaters and campaigned from door to door.

The outcome of an evening of fun and work was a great success, over six thousand dollars was collected for general admission football tickets. The students' enthusiasm for this drive reflected the wonderful school spirit for which Shaw is known.

Pretty Gwen

Reigns Supreme

Surprised Gwen hears the good news

The crowning of the football queen was a memorable moment at the homecoming game. Although there are usually only 6 candidates, this year 7 lovely girls competed in the contest for queen. Each girl had an escort at the game, to help calm down jittery nerves. All of the girls were nervous and excited as they awaited the news as to the name of the queen. The name was read and Gwen Cornman was proclaimed the 1959 football queen.

N. H. S. Greets Graduates at Reception

This year the National Honor Society has adopted a new ritual of having a reception for all new members after the semi-annual induction ceremony. This ceremony was originated some 35 years ago and since has become the leading tradition at Shaw. Scholarship, leadership, character, and service, plus an above-average academic standing are the qualifications for this honorable organization.

Working Their Way Toward College

College Club, sponsored by Miss Provo, had many interesting activities, besides planning for college and discussing college requirements. In November the club sponsored a dance, aptly named the Sno-Ball. Many interesting speakers were present at various meetings. Dr. Nichols gave an inspiring pep talk on planning for your future. The group made quite a few field trips to colleges. These trips helped the members decide on their future college.

Future Teachers Club, now in its second year, helps students seek information on all phases of teaching as a profession and encourages students to choose teaching as a career. Club members have opportunities to assist teachers, to substitute occasionally, and to represent Shaw in meetings held within the state; such as N.E.O.T.A. ushers, and delegates to the state meeting at Oberlin. Seniors in the club observe classes in elementary schools. A monthly bulletin is distributed to those who plan to choose teaching as a career.

The club is affiliated with the state and national groups.

Future Nurses, supervised by Mrs. Elliot, is a valuable aid to girls who have chosen nursing as their profession. Heading the activities this semester were trips to the Rosemary Home, Mt. Sinai, and Huron Road Hospitals, with a tea following each tour. A trophy presented by the Inner-Club Council was won for perfect attendance.

Interest

Front Row—Dale Collins, Kirsten Poulsen, Martha Stillinger, Dave Moore. Second Row—Mr. Wooster, Mrs. Lyndall, Mrs. Cramer, Miss Latta.

"Shaw's wonderful, that's for sure," says Kirsten Poulsen, our foreign exchange student from Denmark. Kirsten left Denmark August 1 and arrived in Europe ten days later after touring with her parents. Kirsten's next stop was America; she arrived in New York on August 14, and after a depressing day with the immigration authorities, was sent to Cleveland where she is now living with her adopted parents, the Doles family.

Dale Collins was Shaw's representative to Neümunster, Germany through the American Field Service. Dale left the United States on June 18 and returned on September 5. Although Dale didn't spend a great deal of time in Germany, he was so impressed by the surroundings and his adopted family that his life's ambition is to become a foreign diplomat.

The Junior Council on World Affairs has a representative that attends meetings held downtown once a month, by the Cleveland Council.

German speakers, movies, records, songs, and a German Christmas party were just a few of the German Club's many activities to enable them to become more familiar with the German language and culture.

Under the direction of Miss Goldstone the German Club had a very successful year, ending it with a German picnic.

Spanish National Honor Society is a member of the national organization for students that have a high ranking in their Spanish classes. To be accepted a student must have at least a B average and the ability to speak the language with some adeptness.

Each chapter of the national organization is named for a well-known Spanish person. Shaw chapter is called "Alarcon," for a famous Spanish author.

With a Big and Little Sister Party held early in September, the Friendship Club launched its 1959-60 semester. This year the club combined both Junior-Sophomore and Senior Friendship, making one club.

Under the direction of its president, Carole Masley, the club sponsored many activities for the school. Among these were the Wishbone Waltz, the Fashion Show, the Father-Daughter banquet, and the Thanksgiving and Christmas projects.

The programs for the semesters were decided by the cabinet which consists of thirteen members and their advisor, Miss Miller.

The Friendship Club extends its right hand of fellowship to all Shaw girls.

The Quartet's music filled the air and was enjoyed by all.

The Friendship Father-Daughter Banquet was a "friendly" success.

Business Club is the Right Type

Business Club, sponsored by Miss Sandra Dickerson, is definitely a group with their eyes on the future. The group had speakers at many of their meetings. One of these speakers was the personnel manager of the Glidden Company. In October the group took a field trip to I.B.M. At one of the meetings Miss Miller demonstrated the different office machines. The club also had a service project in which they did special work for teachers, such as typing tests. Through this project, certificates were awarded according to how many hours spent working for the teachers.

New Uniforms and Drum Major Add Sparkle

The Majorettes, our colleens in new plaid uniforms, set the high spirit at the football games this year. During the summer they studied under Miss Barbara Crooks who taught them the true "Highland Fling," and Miss Noreen Londregan who taught them a new jazz number. Not only did they show their talents to us at Shaw, but they also performed for the Kiwanis Show, Friendship Father-Daughter Banquet, and other Kiwanis meetings.

Tom Andrews, our new drum-major, studied at Smith-Wab Ridge Camp last summer. Tom has shown fine work in leading the majorettes.

Choir Leaves Tech Building

This year Shaw Choir, under the direction of Miss Margery Shields, had two firsts; they moved into the new building on Terrace and Shaw, and they operated the concession stands at the football games. Our choir is one of just a few choirs privileged to sing at Halle's during the Christmas season. New people are chosen for Choir from the two training groups, Mixed Chorus and Girls' Glee Club. All Shaw students thrill with pride when they hear the choir sing.

Pleasing Sounds to Any Ear from Orchestra and Rhythm Teens

Plaid! Bright, red plaid is the new feature of the Rhythm-Teens. This along with the best in musical talent has led the group to be lauded by all ages.

"Only the second time in history a standing ovation has been given an assembly at Painesville Harvey High." This is the opinion of John Mummy, President of the Painesville Harvey Student Council. It is only one example of the honor and praises the Rhythm-Teens have received in their many miles of travel.

The amazing fact about this group is that the rehearsing is done on their own time outside of school under the direction of Miss Margery Shields and Mr. S. Robert Fraser.

A list of some of the notable places where the Rhythm-Teens have performed is: The Hotel-Sheraton for the National Business Teachers Association Convention, The Wade Park Manor, The Ohio Kiwanis' Convention, The Hotel Carter, and The Statler-Hilton for the Rotary Club.

The 8-Teens, the show group of Shaw High School, performs for churches and other social groups. All members of this group are taken from The Rhythm-Teens. The boys from 8-Teens make up the Barbershop Quartet. This quartet took third place in the Kiwanis Talent Show. The 8-Teens performed in the Christmas Program doing the Fred Waring novelty arrangement of "Rudolph the Red Nosed Reindeer." The Quartet adds their close harmony to the performances of the 8-Teens and also does shows of their own. They added the finishing touch to a delightful Father-Daughter Banquet sponsored by the Friendship Club.

Le Masque Presents Two Productions

The Le Masque Club started this year off with the production of "Tea House of The August Moon," which was a great success. The Le Masque Club also produced "Oklahoma" in the spring for the annual all school production. Le Masque meets every Friday after school to discuss and plan plays and other activities. Shaw is fortunate in having Mr. Geisler to direct and produce these plays and to help students interested in drama.

Hot Off the Press

"Hot off the press," that is the slogan of the Tuesday Tatler. This little paper brings to you all the news and views of all important and unimportant events and happenings at Shaw. Written by the 12AX English classes, under the direction and guidance of Mr. Dugas, the Tuesday Tatler has for every student and teacher a message of importance and value.

Tatler staff is busy preparing Tuesday's edition.

Look out Bart, here come the cups!

Barb and Tina busily working on the index.

This year's Shuttle is the result of many disagreements, many changes, and plenty of hard work! Our overall aims were for more candid and to make this year's book just a little different from what it has been.

The staff was very inexperienced and often looked to Mr. McNeill for help and advice when a crisis arose. A million thanks to Mr. Levine for the pictures he quickly developed before our deadlines.

I sincerely hope that in years to come the students and faculty will receive much enjoyment from these pages. I know that I will never forget all the fun and work which were so much a part of being editor.

Checkmate Spells Disaster

In a Greater Cleveland Scholastic League chess tournament last spring, our newly formed chess team surprised everyone by bringing home the championship trophy. Stage Crew, Audio Visual Aids

Work Behind the Scenes

The boys have given a lot of time and effort to helping our educational development at Shaw. The need grows more and more every year for people to show movies, due to the part films play in our education today. These boys learn how to run film projectors and make minor repairs on the machines and film. The Audio Visual Club shows films to any class that wants to see them and also a few assemblies similar to the one on Norway we had this fall. They take their own time and school time to show these films and do not receive pay.

Ralph Sellge, Maurice Steinberger, Bill McFadden, Russ Reinholz, Ron Shaw, Jim O'Brien, Bob Elyard.
