High school is a complex of sights and sounds, feelings and emotions, traditions and memories. These flow together to create a single impression—THE SPIRIT OF SHAW.

*The seriousness of
study to gain knowl-
edge and ability . . .*

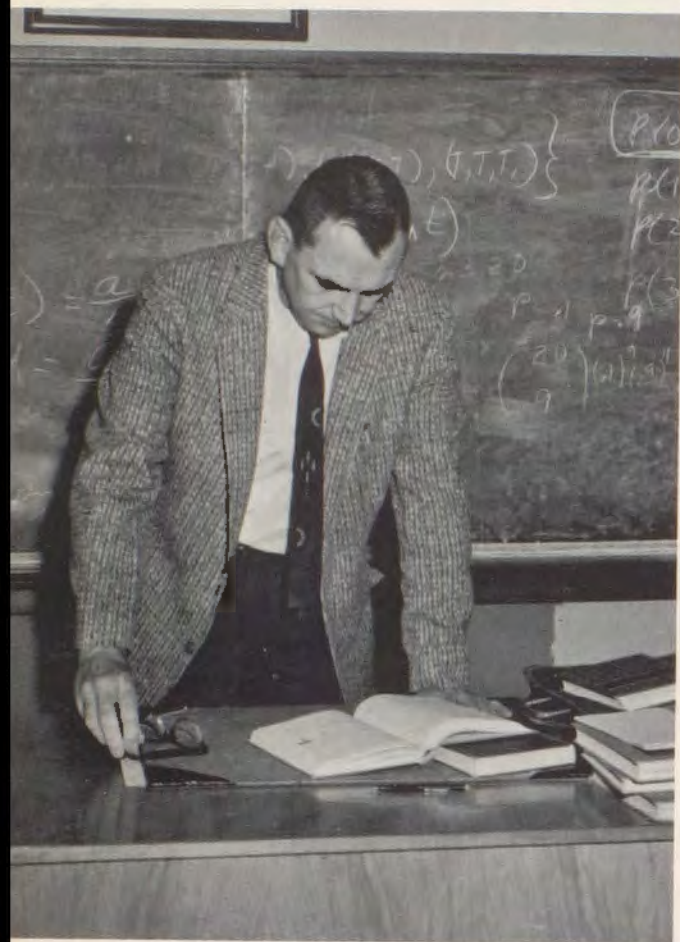

*Preparation made for the future,
whether college, a job, or marriage . . .*

*The enjoyment of
social activities . . .*

*Discovery of new frontiers to be
crossed, new areas to be explored . . .*

Realization and development of talent . . .

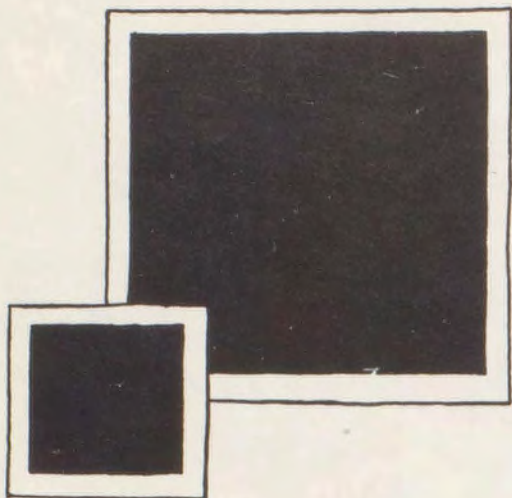

*The pep rallies and
games that unite team,
school, and students . . .*

*All this, and more,
is THE SPIRIT OF SHAW.*

"Second to None in 1961!" was the war chant of the 1961 Varsity football team. These words may sound boastful, but to Shaw students they were significant of the spirit that prevails in Shaw High School. Such words enable us to give our best in whatever we undertake and display courage, confidence, and good sportsmanship. This year's football team was a good example of these qualities. A spirited group balanced by a strong offense and a powerful defense combined to provide Shaw with a winning team.

This year the Cardinals had an impressive record of seven wins and two losses. The losses, to Garfield and Shaker, didn't put a stopper to the Cardinals' spirit, and they bounded back to pound out two smashing victories over Lakewood and Heights, providing the spirit to conquer the Parma Redmen for the second year in a row. After the Parma victory, the Cardinals had one L.E.L. game left with Euclid. Our gridders were too much for the Panthers and Shaw became the victor. A loss to Parma by Shaker ended a hard-fought battle for the L.E.L. crown by splitting the championship three ways for Shaw, Parma, and Shaker.

Congratulations, team, for carrying on the Shaw High tradition of spirit, sportsmanship, and victory.

Bob Taskes ends 10 yard run.

Collinwood dummy perishes.

The Shaw Junior Varsity had a fairly difficult season in 1961. They won one game, tied one and lost 5. Although the L.E.L. competition was rough, the team had a good coaching staff, and the boys played with strong determination. Jerry Novak was considered the most valuable player by the coaches. Outstanding for the team were Jim Fern, Dennis Vaughn, Dave Maiani, and Charles Wheeler. Milton Bley, with the exception of Jerry Novak, was considered the most consistent player. Experience gained this season by juniors and sophomores will undoubtedly provide the proper gridiron comeback for next season.

Victory Comes Hard For J.V.'s

Ken Golash brushes off a determined tackler.

Ken Golash

A combination of determined offense and precision defense, led the Cardinals to their first victory of the season as they rallied over the invading Brush "Arcs." Scoring for Shaw were Matte, Golash, Richards, and Rick.

Tony Rizzo

The Collinwood game was perhaps the most impressive Cardinal victory of the season. The final score was an indication of the quality that the Shaw gridiron men displayed. Matte, Golash, and Richards did the scoring for Shaw.

Shaw	22
Collinwood	0

The Cardinals derail the Railroaders for a loss.

Tony Rizzo gains against the Bulldogs.

Shaw	0
Garfield	10

The team traveled to Garfield to suffer their first loss of the year. Bad breaks and a faltering offense hampered the Cardinals as they went down to defeat. Although the Shaw defense was strong, it couldn't hold back the roaring "Bulldogs."

Bill Dornback

John Mingione

On Homecoming, Shaw and Shaker clashed in one of the most exciting games of the season. A touchdown called back because of a clipping penalty, and the determination of the Red Raiders gave Shaw its only L.E.L. loss of the season. Scoring the lone touchdown for Shaw was Bruce Matte.

Shaw 6
Shaker 14

Bruce Matte goes over for the touchdown.

Shaw 6
Lakewood 0

It's the Cardinals all the way.

A spirited Heights team fought desperately to defeat our Cardinals; but as many teams have found in the past, a powerful display by a churning backfield was too much for the Tigers. Golash and Matte went over the line for touchdowns.

Bob Leblang

John Bestvina

Shaw's first L.E.L. victory was a hard fought contest against the Lakewood Rangers. A final burst of effort in the closing period of the game gave our Cardinals the victory as Taskes scored.

Bob Richards completes a long pass.

Shaw 12
Heights 6

Shaw 10
Parma 6

Tony Rizzo scores the points after touchdown.

Bruce Stanek

Shaw's excellent passing attack and fine defensive line handed Parma its only L.E.L. loss of the season. Parma went to the one yard line many times, but couldn't penetrate the Cardinal's defense. Austin and Rizzo did the scoring and two more points were added to the score as the "Redmen" were pushed back for a safety.

Dale Lockwood

Golash, Matte, and Richards trounced over the Euclid line for touchdowns as the "Drebus Men" captured the L.E.L. crown. As Mr. Liber-
tini predicted, the Cardinals "powdered" the panthers in spirit as well as in offensive and defensive plays.

The Cardinals bring down a determined opponent.

Shaw 20
Euclid 8

Ken Golash fights off determined Panthers as he goes to the five yard line.

Shaw 30
Barberton 14

Shaw spotted a determined Barberton team 14 points before the Cardinals gained control of the ball. After the first touchdown, it was smooth sailing to victory. Matte, Golash, Richards, and Rick all scored for Shaw.

This year a new organization was formed under the direction of faculty advisor Mr. McVicker and president Glenn Lake. The boys' gym leaders have had the responsibility of maintaining discipline, leading exercises, taking attendance, and supervising gym classes. To add to their pleasure they had a swimming party and dance after with the girls' Athletic Council.

The leaders are picked for their athletic ability and skill by Mr. McVicker. One of their highlights of the season was the half-time show they put on at one of the basketball games.

Coach Tom Meinhardt's cagers started slowly, losing some close heart-breaking battles. They then revived with a brief winning streak before graduation, when high-scoring Jerry Harbak earned his diploma. A slow finish found the team in fifth place with an over-all season record of seven wins against 12 losses. Pete Hull was another outstanding performer who was chosen co-captain along with Bob Wagner after Jerry Harbak graduated.

One of Shaw's most exciting games was their opening game with Collinwood which the Cardinal's lost in over-time. With only two of the first-string members graduating, the 1962-63 team promises to be a winning, impressive basketball squad.

WRESTLING

As representatives of a relatively young sport, Coach Paul Burton's team of 14 sophomores and an array of juniors wrestled in some exciting matches, especially the 21-21 tie with Massillon. Senior grapplers included Jim Baker, Dave Cantwell, John D'Astolfo, Jay Lazar, Richard Littman, Dale Lockwood, Russ Martin, and Bob Rainey.

John D'Astolfo earned the most valuable wrestler trophy; while Ed Morgan received a trophy for the most improved wrestler.

In its most successful season the Junior Varsity triumphed in three Lake Erie League meets.

Mr. Burton looks forward to having a much improved wrestling squad that might be a contender for the L. E. L. title next season with five sophomores and two juniors returning in seven of the eleven weight classes.

The 1961 cross country team was beyond a doubt, one of the finest teams in the history of Shaw High School. One of the outstanding members of the team was Jerry Harbak. Jerry's individual record of seven wins and one loss was unmatched in the district. He placed first in the L. E. L. and won a gold medal for his efforts.

In the district tournament the five Cardinals finished the race with fine scores, allowing Shaw High to finish seventh in the district. Jerry Harbak finished third, enabling him to compete in the state cross country meet at Columbus, Ohio. The others who finished in the district meet were Heckman, Thompson, Harding, and Courtney.

Although the Cardinal tank men finished the season with an unimpressive record of 2 wins and 11 losses, the spirit and ambition that prevailed throughout the season produced one of the finest swimming teams in several years. Even though they failed to capture meet honors, a few records were broken. Jim Walsh set a record in the 400 yard free style, breaking his previous record. Ron McQueen was beaten once in L.E.L. competition. Doug Scott and Bill Nelson were voted best all around, and Jim Tabor most promising.

Tennis Team Improves

This year's tennis team showed a great improvement over last year's. The team was fine in form as were most of the individual players. Although the team lost 8 and won 3, it showed exceptional ability. The biggest surprise this year was a sophomore, Tom Maremaa, whose playing was astounding for a novice.

Although several fine players will graduate soon, Coach Durkin has high hopes for a great team in the future.

Cindermen Set Two New Records

Shaw's track team made an impressive showing this year with four lettermen returning to the team: Jerry Harbak, high-point man of the season, Glenn Lake, Roger Anderson, and Mike Molnar. The most exciting meet of the season was the action with Brush. In this hard fought victory, the last race determined the outcome of the winning Cardinal combination in the mile relay. Under the coaching of Mr. McVicker and Mr. Stallsmith, the team set two new records: the 440-yard relay in 45.4 seconds, and the 880-yard relay in two minutes and thirty seconds.

The Cardinal baseball team concluded the 1961 baseball season with an impressive 8-9 mark in 17 games. This record is an improvement over last year's record of 5 wins and 8 losses.

In previous seasons it was difficult to get pitching

and batting together. This year the two were well-coordinated. Phil Bolton and Bill Brelo came through for the team with excellent pitching. John Bestvina, a catcher, racked up the highest batting average of .422. Dave Vaughn came in second with a .357 average, and also led the team in R.B.I's. Tom Haney stole the most bases, with a total of five for the season. The team batting average was an impressive .256, one of the highest team averages in the L.E.L.

J.V.'s Have Impressive Season

Compared to the 1960 season, the '61 Junior Varsity baseball team, under the leadership of Coach Libertini, had an excellent record. Although it lost eight games and tied one, the nine had smashing vic-

tories over Shaker, Heights, Parma, and Euclid. Twice the J.V.'s triumphed over Lakewood. In view of all these factors Coach Libertini foresees a successful season next year and a well organized team.

The Radio Wonders led by Johnny Holiday had hopes of beating the Shaw-Kirk Faculty on February 26. We came through with a 73-66 victory over the Wonders. Skinny Skinner, Chuckles Chulick, Timid Tom Meinhart, Little P. W. Burton, and the rest of the faculty worked together to win the game.

Intramurals Provide Recreation

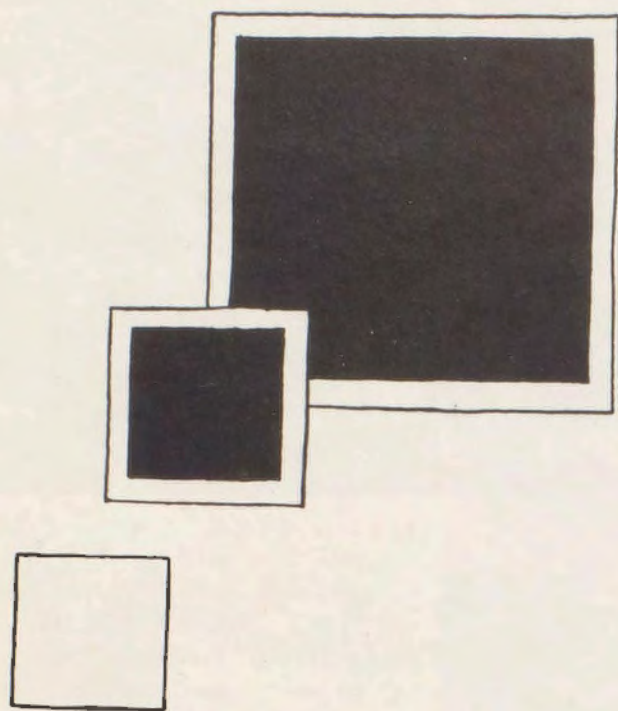

All-star bowling team receives trophies.

The Shaw intramural program, whose purpose is to provide good clean recreation for the boys of Shaw, was led by Mr. Durkin assisted by seniors Don Collova, Jim Davies, and Richard Bornoff.

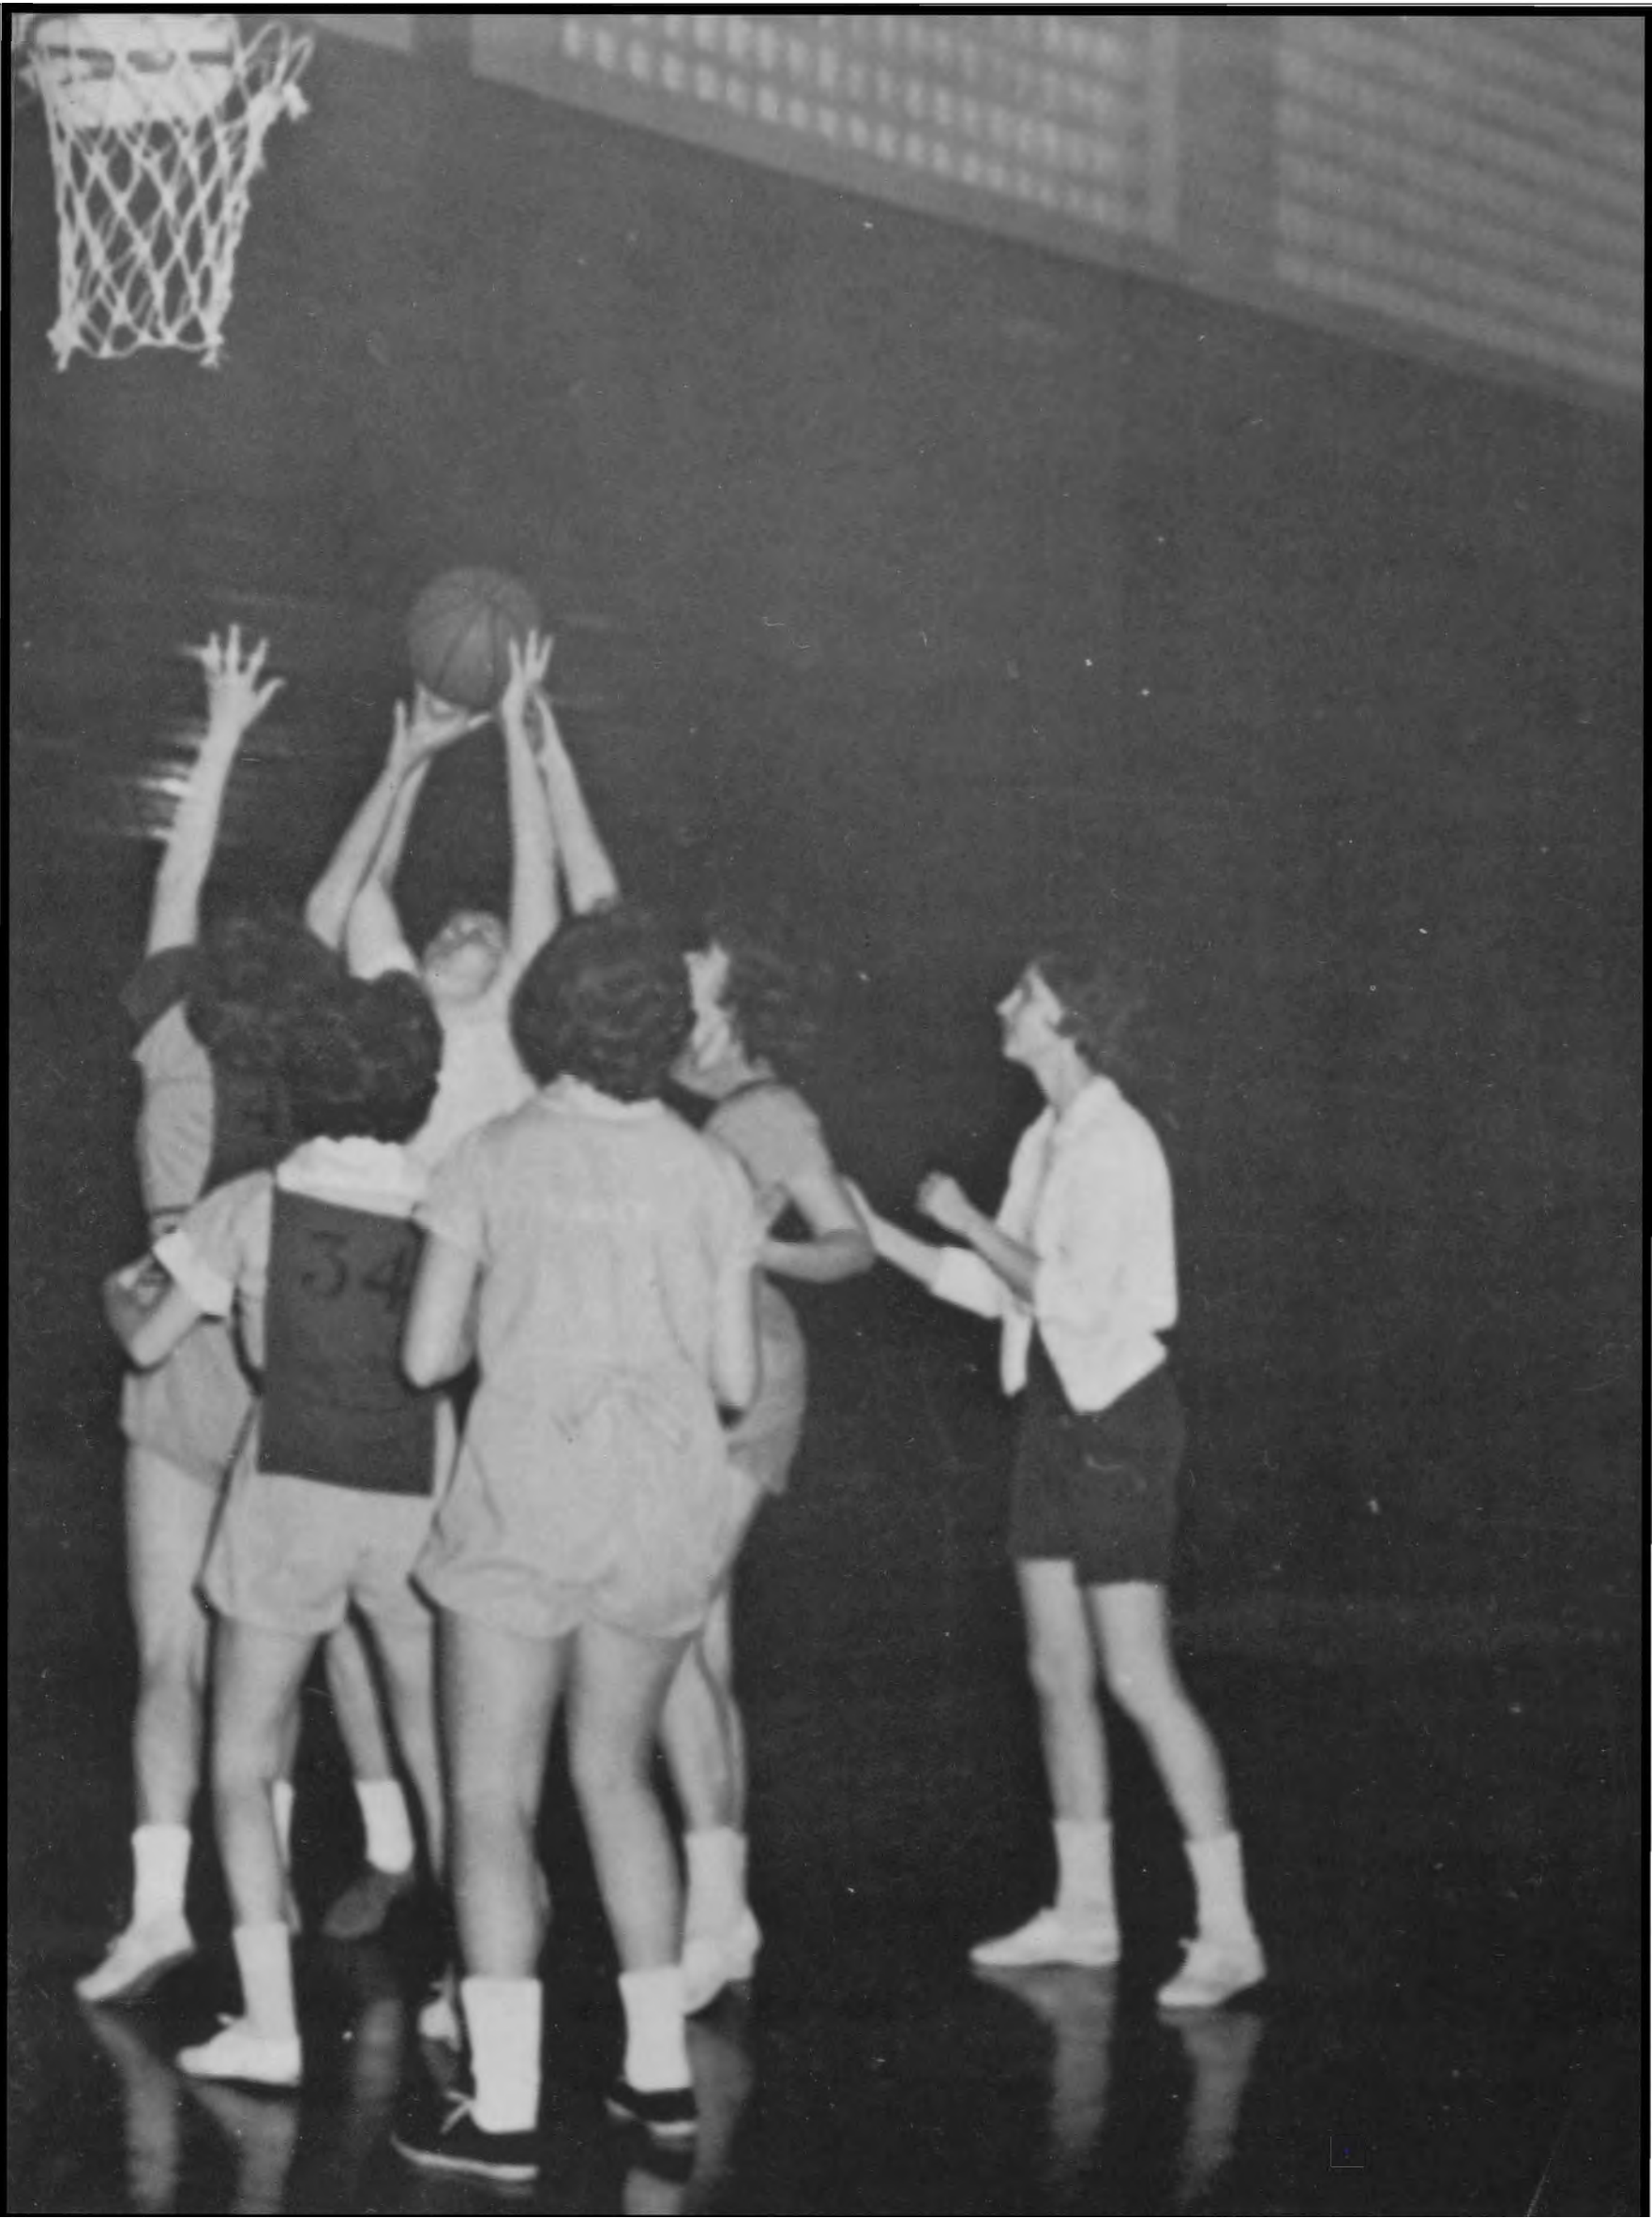

Activities included in the program this year were basketball, ping pong, volleyball, and swimming.

CATALINA CLUB

The Catalina Synchronized Swim Club holds its meetings every Monday night. Various skills are taught under the instruction of Miss Morse. Much time and effort is devoted to advance the sport of synchronized swimming. Each spring, members present a water show and demonstrate what they've learned. This year's theme was called "Sea of Dreams."

PEP CLUB

Sweatshirts, shakeroos, and pennants all symbolize the products of Pep Club. Encouraging more spirit around the school, putting on many of our rallies, and sponsoring Pepettes, a chorus line of thirty-six girls who performed at the football games, are a few of the highlights of Pep Club.

Sponsored by Miss Eunice Coleman, Pep Club has provided the Varsity Cheerleaders with thirty different combinations of uniforms and has made them the best dressed cheerleaders in the L.E.L.

CHEERLEADERS

Louise Howell has been the manager for the cheerleaders for the past two years and has added much pep and spirit.

Early in May varsity cheerleading clinics begin. Forty to fifty girls are taught jumps, motions, and two cheers after school. At every clinic each girl must perform alone in front of the group. Final selections are made on the basis of jumps, motions, winning smile, figure, personality, and co-operation.

The new cheerleaders are announced on Honor Day. The first and last two weeks of summer vacation these girls practice in the parking lot. In September six spirited, energetic, and smiling girls emerge as the Shaw High cheerleaders.

Sally Olson delivers a speech on Character.

The members of National Honor Society are chosen from the upper quarter of their class on the basis of scholarship, leadership, character, and service.

Twice a year an assembly is held to install the new members. At this assembly one member of the society speaks on each of the qualities required in every member. There is an air of excitement throughout the assembly for no one knows who is going to be chosen until the very end.

To be a member of this society is quite an honor as only the more superior students are chosen.

America Impresses Jesse

Jessie Khashadurian, the exchange student from Lebanon, was highly impressed with Shaw and the United States. "Life in the States is very fast. People work like machines, whereas in my country everything is slow. At any rate, I love the life here, and I shall say one thing that impressed me the most, honesty and friendliness. Everyone trusts each other, and Americans, I found, are the most friendly and kindhearted people."

Dave Enjoys Germany

Dave Harley, the senior chosen as Shaw's exchange student, spent quite an enjoyable summer. "Germany is the land of beer and sauerkraut, folkfests, and fräuleins and Volkswagens. It is the romantic land of the Rhine and Mosel. Beneath this atmosphere of fun and sport, there lies a nation of warm and friendly people. Although they have had two wars devastate their homeland, everything has been rebuilt and Germany again holds its place among the leading nations of the world."

Mr. Hejduk speaks at a College Club meeting.

Guest speakers cover a wide range of topics related to college and careers at the well-attended meetings of College Club. Mr. Worcester described college entrance tests and how to apply for them. At another meeting, Mr. Hejduk, an admissions officer at Western Reserve University, told what qualities colleges want in applicants. College Club visits campuses during the school year. Early in the year a group of members visited Allegheny in Meadville, Pennsylvania. Also interested in social activities, the club sponsored a dance. The money raised at the dance contributed towards a \$50 scholarship for a graduating member.

CANTEEN COUNCIL

Sponsors Many Successful Dances

For many years Canteen Council has been responsible for the success of the majority of the Shaw High dances. At meetings held every other Monday night, the members discuss themes, novelty games to be played at the dances, and set the prices for admission.

The Canteen Council selects a certain number of members from each grade only once a semester, but is open for suggestions from anyone who has an interesting idea for a dance or who merely wants his favorite record played.

LIFE SAVING CLUB

Enjoys Splash Parties

The Life-Saving Club supervises guarding at the pool. Most of the girls belong to Catalina Club; most of the boys are on the swimming team. To become a member, a person must have had senior life-saving and must be a fair swimmer. The members not only spend time improving their technique but, enjoy splash parties as well.

Second to None in '61!

"Second to None in '61!" was the motto for this year's sixth annual football ticket selling campaign. Backed by school spirit and student participation, the drive earned over \$5,000. A WERE disc jockey broadcasted the results of the campaign from the front lawn. Teams, captained by football players, canvassed assigned territories. Each grade competed for the \$50 prom fund which was won by the Senior A's and Junior B's. Mr. Louis, who returned to Shaw this year, originated 1 in 10,000, the first campaign of its kind in the state.

1961 Homecoming was on October 6. Shaw suffered its only L.E.L. loss to Shaker in an exciting game. Our Homecoming Queen, Laura Schweizer, was crowned. Both East Cleveland and Shaker celebrated their 50th anniversaries in a half-time ceremony. The game was followed by a dance for the students in the lounge, and one for the alumni in the gym.

Rather than becoming an honor society open only to students who excel in French, French Club decided to remain open to those students interested in French and France. Meetings, held twice a month, are interesting and informative programs about France. Field trips to French exhibits at the Cleveland Museum of Art and to a French restaurant round out the club's activities. Since the members are not all at the same level in their study of the French language, the meetings are conducted in English. However, the members do gain a more complete knowledge of France, its customs, and its people.

The culture, history, and customs of Germany were explained and discussed. A documentary film at The Masonic Auditorium was enjoyed by the members. Officers Ralph Jacob, *Präsident* Ingeborg Ascherl, *Sekretirin*, and Jessie Khashadurian, *Schatzmeisterin*, led the club through a very successful year.

Shaw students who plan a career in education learn the disadvantages and benefits of their chosen profession through Future Teachers' Club. The active members attend roundtables on the problems of discipline in the classroom, hear guest speakers, and make field trips to observe classes of handicapped children and various teaching techniques. Inactive members who are unable to attend meetings learn of advances in education and activities of the club through a monthly bulletin published by the club.

FUTURE TEACHERS

FUTURE NURSES

The purpose of the Future Nurses' Club is to acquaint its members with the world of medicine. Several times during the year, the girls tour hospitals to see their chosen profession in action. They made stuffed animals for Rosemary Home and made a tour of it. Guest speakers tell the members of the challenges and rewards of nursing and careers in the medical field.

FRIENDSHIP CLUB

Under the supervision of Mrs. Hejduk, Friendship Cabinet plans and organizes the activities for the girls' Friendship Club. Among the activities planned by these girls is the annual Thanksgiving Dance. This year it was the Harvest Moon Dance. Friendship also planned a service project during the Christmas season, and Jessie Khashadurian, the exchange student from Lebanon, was invited to speak about her native country at a general meeting early in the year.

LE MASQUE CLUB

Le Masque Club is devoted to the study and appreciation of all phases of drama. The club produced the fall play, "The Drunkard", and aided the production of the spring musical. The members attended "Advise and Consent" and other plays throughout the year. Programs were put on at meetings by those members interested in acting, but members also include those who are interested in the technical aspects of production—costuming, direction, make-up, and props.

STAGE CREW

Under the direction of Mr. Durkin, the stage crew has worked in a variety of shows, including the Catalina Swim Club Show and the 1961 fall production, "The Drunkard". Students working behind the stage must show an interest in the technical phase of drama. There is a wide variety of jobs they do in preparing for a production. The students assemble as well as repair scenery and they tend to stage lighting.

"THE DRUNKARD" *Arouses Audience*

The audience cheered the hero and hissed the villain of "The Drunkard", a melodrama produced by Le Masque Club in November. The play written in all seriousness in 1844 was given a light touch and the result was hilarious. Dave Boylan acted the title role of *Edward Middleton*, a good man who is ruined by drink but is saved by *Arden Rencelaw*, Jim Le-Castre. Although she is menaced by the villainous *Cribbs*, Steve Shrader, the Drunkard's wife, Ellen Gardiner, remains faithful throughout, and his daughter, Jeanne Kutscher, awaits his return. Through the efforts of *Bill Downton*, Marty Harding, and his crazed sister *Agnes*, Fran Rohloff, the crimes of *Cribbs* are exposed and he is led off to prison. The Drunkard returns to his family, the mind of *Agnes* is restored, and all live happily ever after.

RHYTHM TEENS

When some students come to school dressed in black jumpers and gay red plaid tuxedos, the rest of the students know the Rhythm Teens are going to perform. This year the Rhythm Teens performed at an intermission of a Cleveland Pipers basketball game, a program of the Singer's Club of East Cleveland, for the United Appeal Rally at W.H.K. Auditorium, and at the national convention of Indian Guides. In January the Rhythm Teens produced "Jet-Flight," a musical trip around the world in co-operation with the band.

The 85-member Shaw High Choir, directed by Miss Judith Warren, has concluded another year of exceptional choral performances. The highlight of the year was the musical, which was presented in co-operation with the Drama Department and the Orchestra. The Choir sang for the Armistice Day program, the Christmas program, the Spring Concert, the commencements of both graduating classes, and the Lake Erie League Choir Festival at Lakewood. During the
